Fredericton NB E3B 3A6

## Professional Summary

As a front-end web developer with a background in healthcare, I can multi-task independently, or collaborate with a team. I have a strong attention to detail, and love to problem solve. My love for coding is built on a foundation of continuous learning, and always wanting to understand how things work. I am motivated to learn, grow and excel in this profession I am passionate about.

## Professional Experience

### PHARMACY ASSISTANT, JEAN COUTU – 2017-PRESENT

- Managed orders, produced and billed four different nursing homes
- Trained employees one on one, recruitment and retention (approximately 20 employees)
- Managed inventory: Frequently changed order parameters to reduce overhead, simplified order procedures, and improved customer service
- Automation calibration, maintenance, and problem-solving (Pacmed, PacVision, ScriptPro, Parata)
- Inputted new patient profiles and prescriptions into software (error rate about 1-2 a month)

### PHARMACY ASSISTANT, LOBLAW - 2012-2017

- Dispensed medications
- Provided friendly customer service at cash and drop off

### PHARMACY ASSISTANT, DR.EVERETT CHALMERS REGIONAL HOSPITAL - 2011-2012

- Calculated, weighed, measured and mixed ingredients for compounding using sterile techniques
- Dispensed and delivered medications to the units throughout the hospital
- Collaborated with pharmacists, nurses, and other healthcare professionals

## Education

- [Juno College of Technology](#) Web Development Immersive 2023
- [Juno College of Technology](#) Web Development course 2021
- [Juno College of Technology](#) Javascript course 2021
